

Disappearance of the Outside

**Edmonton, Alberta,
in the time of COVID-19**

2021

April

Downtown

MacEwan University

Lesley Battler

exilic kingdom

restless divided experience

powerful monologue

anonymous in spirit

dispelling an illusion

liquor open during construction

made an example of

the watchers

private echoes

frozen moments

birthing solar system

under their breath

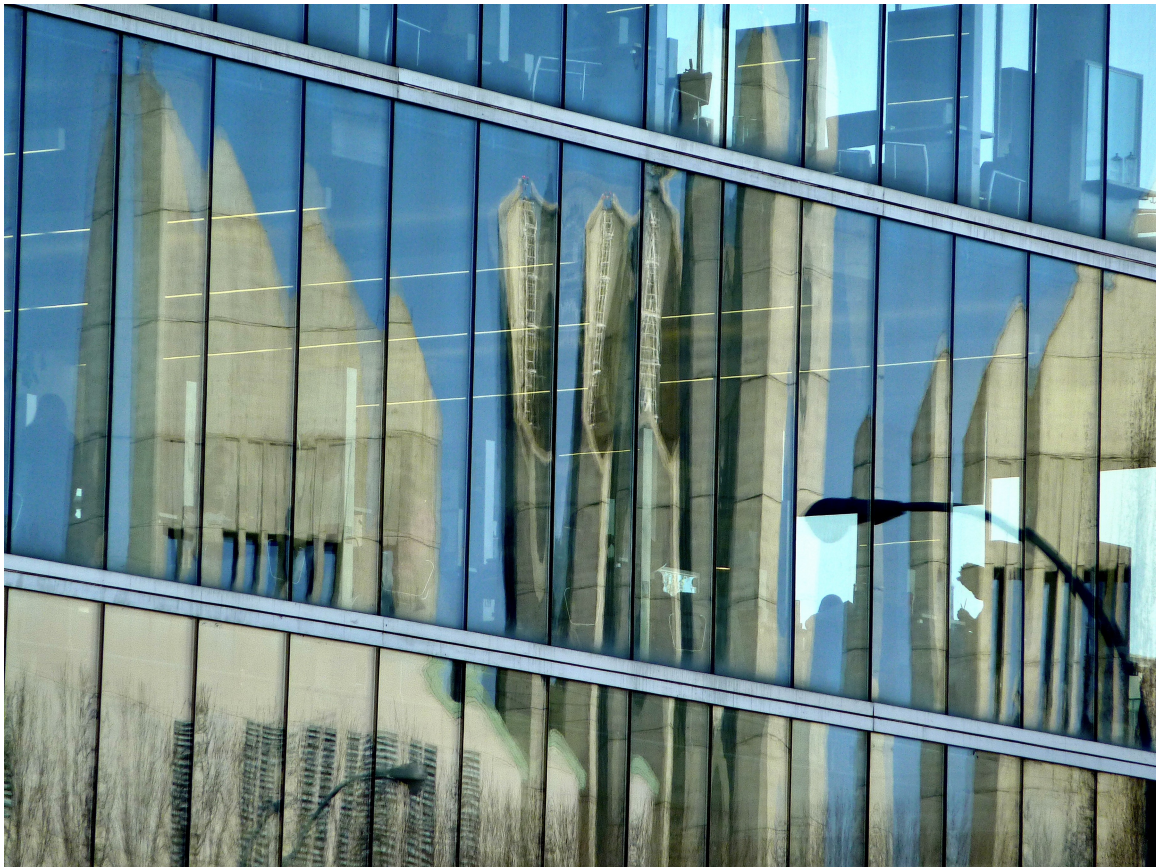

through the undergrowth

the last exit

inner circle

unsettling realizations

after dropping the stars

waking from a dream

boomtown, dreamtime

chronoclasm

cyberman
